

THE LAKE IS CALLING...
AND I MUST GO

Take in a panoramic view from Smith Lake's signature mammoth rock embankments...float in emerald green waters...or cast your line along 562 miles of shoreline in one of America's cleanest lakes.

Located on the Sipsey Fork of the Black Warrior River, Lewis Smith Lake sprawls over 21,000 acres in Cullman, Walker and Winston counties and is conveniently located near Birmingham and Huntsville metro areas.

Easily accessible from I-65, Smith Lake is a popular weekend destination for second homebuyers, boat and ski enthusiasts and casual and sport fishermen from across the US. Large mouth, hybrid striped white and spotted bass, black and white crappie, sunfish, flathead and channel catfish flourish in Smith Lake's deep, clear waters.

Ownership at Smith Lake RV & Cabin Resort offers a "home base" for all your lake activities and abounds in community amenities.

This private Smith Lake community showcases easy lake living with nicely appointed lots for your RV or Custom built Cabin. Designed to perfection and crafted without compromise, Smith Lake RV & Cabin Resort invites you to visit...and own at beautiful Smith Lake.

Smith Lake attracts major professional bass fishing tournaments and is ideal for fishing and tournament enthusiasts!
